CONDITIONS OF SALE.

Please Read Sale Terms Before Bidding.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing **within 30 days of the date of the sale.**

Coins and medals are sold at so much per PIECE, and no lot will be separated. You cannot buy a few pieces out of a lot but must buy all of it. The auctioneer will accept no bid under 10 cents to start a lot where that lot contains only one piece; nor will he accept any advance under 5c on any lot containing but one piece; after the price has reached $2. no advance under 10c will be accepted on any lot containing one piece; after $5.00 the bid must advance 25c each time; after $10 no bid under 50c.

Our rules regarding lots containing more than one piece will remain unchanged and the same as before.

Auction sales are **strictly** for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy. We cannot correct such errors.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer. THOMAS L. ELDER.

Important Notice. We keep two books of the sale recording each lot as sold, and we will not accept any sale records from outsiders. **Our records are final.**

No priced catalogue will be furnished of this sale.

MEDALS, TOKENS, ETC.

200 Very Rare Historical Medal in **Silver**, dedicated to the heroic defenders of Fort Griswold, at New London, Conn., defended by patriots against Benedict Arnold and his notorious Tory forces, in 1781. Obv. Defenders in fort loading and firing. "We Will Not Give Up The Fort, Let The Consequences Be What They May". Rx. Diagram of the fort. Sept. 6, 1781. "Centennial of the Battle of Groton Heights and Burning of New London September 6, 1781." Note.—Arnold's Tories stormed the fort, after the small defending force had put up a most obstinate battle and overwhelmed it by force of numbers. The American commander offering the Tory leader his sword in surrender, the Tory seized it and ran the Colonel through the body killing him on the spot. The balance of the defenders were all massacred on the spot. This one expedition of Arnold was sufficient in itself to condemn him forever to the disgust and contempt of all Americans. Here he had burned New London almost in sight of his birthplace. Such horrors were planned by Arnold to divert Washington from his campaign against Cornwallis in Virginia and in spirit of revenge. This medal is size 40. Silver. The only one we have met with in this metal. VRare.
